To whom it may concern:

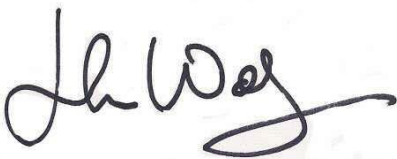

It is my pleasure to recommend Adam Porter for employment with your organization. I have known Adam for 14 years, during which time he has served as the Editor in Chief of our monthly community newspapers, *The News of Kings Point* and *The News of SCC & South County*. I have been consistently impressed with Adam's attitude and productivity. His creativity is unmatched; his dependability is unrivaled.

Adam is both very bright and quite motivated. I am confident he will devote himself to your organization with a high degree of diligence. He is a quick learner and has shown the ability to digest large volumes of information. Adam is a naturally skilled communicator, and has demonstrated an advanced ability to articulate information and ideas in both the verbal and written forms. His style of writing is excellent: conversational and accurate, a perfect mix for our community.

Adam has also been effective in his efforts to engage the community. He has written interesting, original articles while simultaneously managing our oftentimes difficult group of reporters, and his editing of our hundreds of contributors has been excellent. Adam is willing to take risks, applying his creativity and natural leadership abilities to galvanize people into achieving their very best. He is excellent at reaching out to people and involving them in projects.

I recommend Adam Porter without reservations. I am confident that he will establish productive relationships with you and your staff. Please let me know if you have need for additional information about this outstanding young man.

Sincerely,
